ORDINARY RESOLUTION NUMBER 9**Placing 10% of the unissued ordinary shares of the company under directors' control.**

"Resolved that the directors of the Company be and are hereby authorised as a general authority, to allot and issue, after providing for the requirements of the Harmony (1994) Share Option Scheme, the Harmony (2001) Share Option Scheme, the Harmony (2003) Share Option Scheme and the Harmony 2006 Share Option Scheme Plan, up to 10% of the authorised but unissued ordinary shares of 50 cents each in the share capital of the Company, being 80,027,837 ordinary shares of 50 cents each as at 3 September 2007, at such time or times to such person or persons; or bodies corporate upon such terms and conditions as the directors may from time to time in their sole discretion determine, subject to the provisions of the Companies Act and the JSE Listings Requirements."

This Ordinary Resolution Number 9 is required in order to comply with the provisions of section 221 of the Companies Act and has been limited to ensure that not all of the current unissued share capital, being 800,278,374 ordinary shares as at 3 September 2007, be placed under the control of the directors.

Such general approval to the directors shall only be valid until the next annual general meeting of the company. Such approval may, however, be varied, or revoked by any general meeting of the company prior to such annual general meeting.

The reason for proposing Ordinary Resolution Number 9 is that the directors consider it advantageous to enable the Company to take advantage of any business opportunity which might arise in the future.

ORDINARY RESOLUTION NUMBER 10**Issuing of shares for cash**

"Resolved that the directors of the Company be and are hereby authorised to allot and issue equity securities (including the grant or issue of options or convertible securities that are convertible into an existing class of equity securities) for cash (or the extinction of a liability, obligation or commitment, restraint(s), or settlement of expenses) on such terms and conditions as the directors may from time to time at their sole discretion deem fit, but subject to the following JSE Listings Requirements -

- a) the equity securities which are the subject of the issue for cash must be of a class already in issue, or where this is

- not the case, must be limited to such securities or rights that are convertible into a class already in issue;
- b) the equity securities must be issued to public shareholders, as defined in the JSE Listings Requirements, and not to related parties;
- c) securities which are the subject of general issues for cash -
- (i) in the aggregate in any one financial year may not exceed 10% of the Company's relevant number of equity securities in issue of that class (for purposes of determining the securities comprising the 10% number in any one year, account must be taken of the dilution effect, in the year of issue of options/convertible securities, by including the number of any equity securities which may be issued in future arising out of the issue of such options/convertible securities);
- (ii) of a particular class, will be aggregated with any securities that are compulsorily convertible into securities of that class, and, in the case of the issue of compulsorily convertible securities, aggregated with the securities of that class into which they are compulsorily convertible;
- (iii) as regards the number of securities which may be issued (the 10% number), shall be based on the number of securities of that class in issue added to those that may be issued in future (arising from the conversion of options/convertible securities), at the date of such application -
- (1) less any securities of the class issued, or to be issued in future arising from options/convertible securities issued, during the current financial year;
- (2) plus any securities of that class to be issued pursuant to -
- (aa) a rights issue which has been announced, is irrevocable and is fully underwritten; or
- (bb) an acquisition (which has had final terms announced) may be included as though they were securities in issue as at the date of application;
- d) the maximum discount at which equity securities may be issued is 10% of the weighted average traded price of such equity securities measured over the 30 business days prior to the date that the price of the issue is determined or agreed by the directors of the Company. The JSE will be consulted for a ruling if the Company's securities have not traded in such 30 business day period."

The approval of a 75% majority of the votes cast by shareholders present or represented by proxy at the annual general meeting is required for this resolution to be effective.

The proposed authority is in compliance with the JSE Listings Requirements relating to the issues for cash.
